On the move

Wherever in the world you are moving to, we can get your belongings there safely.

Founded in 1854, Bishop's Move has an unrivalled reputation in the international removals and shipping business spanning more than 150 years. Our nationwide network of branches around the UK and worldwide network of established overseas partners enable us to provide global solutions for all our customers.

Through our International Division we offer a first class removal service. We can help you if you are moving to Europe, further afield or if your belongings are being imported to the UK. Whether you are emigrating, retiring abroad or being relocated by your employer.

As the largest family owned removal company in the UK, we pride ourselves on personal care and traditional values. From a private individual to a multi-national business, Bishop's Move understands the importance of providing a quality service which can be tailored to suit your individual needs.

Moving abroad requires specialist knowledge and experience. Bishop's Move International Division has a team of experts and fully trained staff committed to ensuring that your move overseas is as stress free as possible from start to finish.

information and advice

planning

The key to a trouble-free move is careful planning and thorough organisation – every step of the way.

initial contact

From the moment you first make contact with us, our moving consultants will ensure you receive the very best advice on transportation and other services, helping you make the right decisions based on your needs.

Our international consultants will back this up with factual advice and a detailed moving schedule.

packing & wrapping

We can advise on the best materials and cartons to be used to ensure your belongings stay safe. Specific items can be specially export wrapped, if required and, if you are moving fragile items that require casing, we can tailor-make crates to protect them.

red tape

Make use of our many years' experience of preparing paperwork and dealing with customs regulations.

storage

Our modern, purpose-built warehouses are the secure answer if you decide to put some, or all, of your belongings into storage.

insurance

Our move consultants can advise on insurance cover and arrange on your behalf if required. Bishop & Sons' Depositories Limited are authorised and regulated by the Financial Services Authority for Insurance Mediation activities only.

care

No matter how fragile, large or awkward your items, we have the equipment and the expertise to transport them safely.

delicate and unusual items

China and glassware, books and linen, paintings and mirrors – whatever the item, we have a carton, crate or packing material to suit. For non-standard items such as some pianos and paintings or large vases, we can custom-make wooden crates.

export wrap

For individual items that need extra protection, make use of our special export wrapping service. For certain destinations a full export wrap service is recommended.

standard wrap

For most items being transported to Europe, our standard wrapping will protect your goods.

transportation and routing

moving abroad

why us?

Moving abroad requires specialist knowledge and experience, qualities that Bishop's Move has acquired and developed over the last 150 years as an industry leader.

delivery

Our vehicles have phones and the majority have state of the art satellite tracking systems enabling us to continually monitor our vehicles wherever they are allowing us security and peace of mind for all our customers.

part loads

Part loads offer a cost-effective solution, if you are transporting smaller quantities of items and can be flexible on delivery dates. Vehicles carry shared loads to various addresses and our operations team advises once a date for delivery has been scheduled.

special loads

This is the service to choose when you are transporting a sizeable load or need your belongings to arrive on a set day. The delivery of your effects will be scheduled to take place on the date specified by you.

storage solutions

purpose designed facilities

our facilities

Our modern, purpose-built warehouses provide safe and secure solutions for all your storage requirements.

care

We can store the entire contents of your home or just a few specific items over a short or extended period of time. We pack and seal consignments in special containers, and provide you with a full inventory. Our advanced retrieval systems enable us to locate your items quickly and efficiently, when you need them.

our network

Our containerised storage facilities can be found nationwide across the UK, Gibraltar and Spain. We have built on a network of close relationships with quality, established and wherever possible, FIDI-approved (International Federation of International Removers) European storage companies offering first-class services to all European destinations.

expansion

Apart from secure modern storage facilities, our rapidly expanding network of branches in Spain and Gibraltar offer a full range of removal services from private to commercial, small loads to a full household load to any destination. Through our new specialist division, Bishop's Darvall's Iberia, we run daily vehicles to and from the UK, Spain, Portugal and Gibraltar, providing our customers with a door-to-door, personal service with direct links to our depots on the Costa del Sol, Costa Blanca, Malaga and Gibraltar.

security

All our first class container-storage facilities are purpose-built and designed to withstand the effects of fire and flood. They are clean, dry and fully protected by sophisticated electronic alarm systems.

corporate relocation

We have a team of consultants dedicated to managing corporate accounts and supervising all aspects of employee relocation in Europe. Our staff provide both managers and individual employees with all the expert help and advice they need to successfully relocate.

platinum move

Platinum Move is our premier service. Your own personal moving consultant will discuss your particular requirements and design a customised moving plan especially for you. We can arrange where possible, a full houseclean, including oven and carpet cleaning, timed to begin just after the last items are removed from your old home.

handyman assist

Let us provide you with expert help for those tricky tasks, like dismantling and re-assembling wardrobes and wall units, or hanging pictures and mirrors.

pets

We work with approved specialist carriers, who deal with the necessary paperwork and injections, as well as ensuring your pets move in comfort. The service includes collecting pets from your home and transporting them to your final destination.

your countdown planner

a month before you move

- Book your moving date as far in advance as possible
- Talk to your removal company about packing cases
- Don't forget to arrange insurance cover for the move
- Make a list of what you intend to take with you and what you want to leave behind
- Ensure your passport, visas and any vaccinations needed are up to date
- Cancel any club memberships and advise schools, doctors, dentists etc of your departure. Obtain copies of medical records
- Arrange to have your mail redirected
- Transfer or close bank accounts. Check your tax position
- Cancel milk and newspapers and pay local bills
- Check if you are due a Council Tax rebate
- Ensure your driving licence and car insurance will be valid. Ask your removal company to organise export certificates for any vehicles

three weeks before you move

- Sort out your loft, attic, shed and garage
- Speak to your removal company if you require storage

- Contact your electoral office about postal voting forms. They can also be obtained from British Embassies abroad

two weeks before you move

- Dismantle large items of furniture where possible
- Arrange for a professional to disconnect kitchen appliances
- Organise for utilities like gas, water and electricity meters to be read on the day of your move, your phone disconnected and any bills forwarded
- Arrange for any rented items, like TVs and video, to be collected
- Start emptying your fridge and freezer

a week before you move

- Put important documents like birth and marriage certificates together ready to carry them with you on the move. Keep separate photocopies in a safe place
- Double check details with your removal company
- Obtain foreign currency to use on arrival
- Empty any safety deposit boxes
- Drain lawnmowers and other power equipment of petrol and oil
- Defrost your fridge and freezer
- Label your furniture, draw up a plan of your new home, indicating what goes where

- Pack suitcases with items you need on the journey and immediately on arrival

on the day of your move

- Leave the packing of furniture and possessions to the professionals
- Put everything you are taking with you in your car, or keep it separate
- Keep valuables and medicines with you for the journey
- Before the removal vehicle leaves, have a final check that everything you want to move is inside
- If no-one is moving into your old home, turn off the power and drain or turn off the water supply. Make sure it is left secure and hand over the keys to your estate agents
- Enjoy your move!

"I would like to thank your company for the efficient and amiable way the whole process has been handled. Your office and the men who collected my goods have been helpful in every respect."

DR B A SWEETEN – SMITH

We were very impressed by the efficiency, courtesy and good humour of all involved. This combined with such a high level of expertise made what might have been a very stressful experience a positive pleasure. We will certainly have no hesitation in recommending Bishop's Move to anyone else contemplating such an overseas move."

Bishop's Move is part of a dedicated group of companies within the British Association of Removers that specialises in all aspects of overseas removals. Members meet strict standards and subscribe to a financial bonding scheme to protect all pre-payments to the company.

Bishop's Move is proud to be a FIDI member. FIDI is the world's most prestigious network of quality certified international moving companies with over 500 members in over 100 countries.

Only a select few have achieved FAIM accreditation, Bishop's Move values its membership through the accreditation of our London head office. FAIM accreditation is independently audited, covering a range of rigorous standards, including general quality, training, facilities, finances and insurance.

As part of our continual improvement and commitment to quality Bishop's Move has been awarded ISO 9001 accreditation - the Internationally recognised standard for Quality Management Systems.
