# BISHOP'S MOVE CONCIERGE SERVICE

---

## Your dedicated Bishop's Move Concierge Consultant will be right by your side whilst you undertake one of the top 5 most stressful events - moving home.

Our consultant will support you in managing all the administration of preparing for the move, whether that's closing down utilities, council tax or even changing your address with regards to TV Licensing.

This sounds easy but as you know you can spend minutes, hours on hold with these companies when you could be doing something more productive. Bishop's Move Concierge Service is here to free up your valuable time.

---

You have a choice of options you can take and both options can also be taken together if required:

### Option 1

Our Concierge Consultant will:

- Visit you at home and remain your key point of contact until you move in to your new home.
- Advise on every aspect of moving from cancelling direct debits to registering pets at their new vets.
- Manage the closing of accounts for Council Tax, Electricity, Gas, Water, TV License and Postal Redirection.
- Offer advice and guidance on downsizing and decluttering when working with you to prepare for the move.

### Option 2

Our Concierge Consultant will:

- Provide moving house pack and be available to liaise over the telephone.
- Provide 4 hours one to one support on the day of your move.
- Depending on which property - help pack / unpack to cupboards.
- Help you settle into your new home and offer emotional support during a potentially stressful time.

Bishop's Move Concierge Consultants are there for when you need them the most. Our core aim is to ensure your move with Bishop's Move is as stress free as possible. We remove those time consuming elements so you are free to concentrate on your next adventure in your new home.
